A RESOLUTION AMENDING THE POLICIES AND PROCEDURES MANUAL FOR MIDWAY CITY REGARDING THE ACCESS TO CULINARY WATER

WHEREAS, Utah Code Title 10, Part 8 authorizes a municipality to adopt policies, procedures and regulations to facilitate the enforcement of the municipality's laws and ordinances, to promote the efficient administration of the municipality's business, and to protect and promote the public health, safety and welfare; and

WHEREAS, the Midway City Council finds it in the best interests of the City and the public to recognize the adoption of policies and procedures for the City in a Policies and Procedures Manual that can be readily accessed by City officials, City employees and the general public.

WHEREAS, the Midway City Council finds it in the best interest of the City and the public to amend its policies and procedures from time to time.

NOW THEREFORE, be it hereby **RESOLVED** by the City Council of Midway City, Utah, as follows:

Section 8 of the Policies and Procedures manual is amended to include the attached, Section 8.7 Culinary Water (Annexation Required for Access to Midway City's Culinary Water System).

PASSED AND ADOPTED by the Midway City Council on the 4th day of February 2020.

MIDWAY CITY

Celeste Johnson, Mayor

ATTEST:

Brad Wilson, Recorder

(SEAL)

8.7 Access to Culinary Water

All property owners desiring to access the Midway City culinary water system whose property meets the requirements for annexation must annex into Midway City in order to receive culinary service.

In the event that a property owner applies for access to the Midway City culinary water system and their property does not meet the requirements for annexation, Midway City may in that event, consider the application for culinary water on a property-by-property basis, and approve such applications at its sole discretion and impose any conditions found reasonable and necessary to protect and maintain the Midway City culinary water system.

Midway City shall have no obligation to provide culinary service outside of its municipal boundaries.
