

WHITAKER FARM
CHANGE ROAD NAME

DAN LUSTER

ROAD NAME CHANGE

- “Whitaker Farm Way” to “Salazar Spring Road”
- The proposed name change would only change the name of the road from the intersection of 600 North to the intersection of “Waters Edge”
- The distance is about 1,100’
- No lots are addressed in the section of the road
- Future lots along road would be addressed using “Salazar Spring Road”
- No documents would need to be recorded

ROAD NAME CHANGE

- Staff is recommending that the developer of Whitaker Farm pay the entire cost of the new street signs and for the installation of the signs. Also, the signs should be installed before the City accepts the roads in the subdivision.
