

# HIGH VALLEY ARTS

TEMPORARY USE PERMIT

## SPECIAL EVENT TEMPORARY USE PERMIT FOR NOISE

- City Council may adopt a noise variance for events that may exceed the decibel levels allowed by the code
- High Valley Arts Foundation has received approval of the variance for the last seven years
- Noise levels have only exceeded limits by a few decibels
- No complaints have been filed with the City regarding noise but there are more dwellings in the area each year

# NOISE LIMIT CHART

Maximum sound pressure level in decibels  
as measured on the A. Scale

6:00 AM to 10:00 PM	10:00 PM to 6:00 AM
70 dBA	55 dBA

\*Decibel levels are measured at the property line
