MEMO

TO: City Council
FROM: Human Resources
DATE: July 11, 2018
SUBJECT: Security Deposit for City Park Pavilions

As a courtesy to residents and visitors, Midway City rents the City Park Pavilions for a minimal fee of \$25.00 per pavilion per day. Many people like to know they can reserve a pavilion far enough in advance that they can plan activities such as family reunions, club events, work luncheons, etc. Whereas, if pavilions were on a first-come-first serve basis, the public would be unhappy at not being able to secure a location for their event in advance.

At the June City Council meeting, a motion was made and approved to begin charging a damage/security deposit for every reservation made. The following items outline reasons a deposit is/has historically not been required:

1. Reservations are sometimes made months in advance, and a high percentage of the time reserved for weekends (Friday & Saturday). Most of the time, reservations are only for part of the day, i.e., 10:00am to 4:00pm, Noon to 9:30pm, etc. If the City requires a deposit, it would mean an employee would need to check each pavilion immediately before and immediately after each reservation because the general public can use the pavilions any time before or after a designated rental.
2. By law, all monies received by the City need to be deposited into the bank within 72 hours. This means, if someone makes a reservation six months in advance and pays a deposit, the funds would be deposited, then once the reservation was complete a City employee would need to complete a check request, and another City employee would then cut a check and mail it to the renter. There are six pavilions in our parks; creating a possible potential of twelve (12) check requests being processed for refund each week; that does not include mid-week rentals.
3. Two of the pavilions are wooden structures with metal tables and concrete floors, the other four are metal structures with metal tables and concrete floors. Potential for damage during a rental is minimal to none.

I respectfully request that the motion voted on and approved at the June City Council meeting to begin charging a \$50.00 damage/security deposit for City Park Pavilions be repealed.

Our vision for the City of Midway is to be a place where citizens, businesses and civic leaders are partners in building a city that is family-oriented, aesthetically pleasing, safe, walk able and visitor friendly. A community that proudly enhances its small town Swiss character and natural environment, as well as remaining fiscally responsible.
