Re: 2018 Trust Accountability Program (TAP) Award

Dear Mayor Johnson,

I'm pleased to report that Midway City has been awarded \$1,600.90 in recognition of completing the 2018 Trust Accountability Program (TAP). This award also entitles you to a discount that will be applied to your workers' compensation premium.

Congratulations to Georgia McGuire and others for their role in earning this award. The TAP program requires effectiveness in the areas of safety committee meetings, return-to-work programs, monitoring and taking action on driver citations (MVR), safety action registers and if applicable, sewer inspections and legal review of law enforcement policies and procedures.

Thank you for your leadership and for holding your staff and coworkers accountable for safety and loss prevention. We appreciate your membership and pro-active contribution to the more than 565 members of the Utah Local Governments Trust.

Sincerely,
