

1. Trails
 - a. Images: a large map showing where existing trails are and a master plan of all the trails.
 - b. Purpose: to get feedback specific to the trails system.
2. Michie Lane Park
 - a. Images: Plan for the proposed park
 - b. Purpose: to get specific suggestions for improvements that could be made to the plan for the Michie Lane park.
3. Planning for our Future Improvements
 - a. Images: Aerial pictures of each of the other parks
 - b. Mention that future park improvements would be discussed in public formats to help give direction to how they are planned.
 - c. Mention that a public survey of residents will be conducted in the coming months that will help to identify priority areas for all future improvements.
 - d. Purpose: Get feedback regarding all the other parks in Midway and in the public involvement process.
4. Maintenance and Safety
 - a. Images: pictures of areas of specific safety concern and liability to the city that need to be addressed very soon.
 - i. Trail segments with major damage (roots at Dutch Fields, dilapidated trail in middle of Valais, etc.)
 - ii. Playground safety concerns where the facilities do not meet safety recommendations. (Hamlet and Valais)
 - iii. Tennis court damage at Valais (roots, cracks, etc.)
 - b. Mention that the priority right now of the parks and trails committee is to get a good handle on all the maintenance needs of our existing infrastructure – to identify immediate needs and to develop an ongoing maintenance plan.
 - c. Purpose: Get feedback on the major safety concerns identified and identify other areas of safety and maintenance concerns.
