

Application Granting Permission for Burial Right

Pursuant to the Certificate of Burial which Grantee rightfully holds, Grantee hereby grants permission for the burial of: _____ in Section: _____, Block Number: _____, Lot Number: _____ & Grave Number: _____ of the Midway City Cemetery. The person signing this application represents and warrants to the City of Midway that he/or/she has the authority to grant permission and acknowledges that the City, its employees, agents or representatives will not be held responsible for all claims arising from this grant. By signing this Application, The Grantee acknowledges that only one headstone may mark the burial lot, and that the individual who has the right to the remains that are to be interred is granted the authority to make all interment decisions including the selection of the headstone for the person being interred.
