## MIDWAY SANITATION DISTRICT - 2018 SEWER CLEANING & VIDEO INSPECTION

This notice is to inform the residents of the 2018 Sewer Cleaning and Video Inspection in the locations shown below with red lines has started.

**Anticipated Start Date: October, 2018** 

**Anticipated Completion Date: Spring 2019** 

## Locations

Midway Sanitation District cleans and videos 1/5<sup>th</sup> of their sewer lines every year, thus the whole system is cleaned & videoed completely every 5 years as preventative maintenance.

The Sewer District will be distributing another flier prior to commencing sewer line cleaning and videoing along the sewer lines near residence homes. At that time we can answer questions and address any concerns you may have.

We greatly appreciate your patience and cooperation with this preventative maintenance work.

Thank you, please contact Midway Sanitation District with any other questions. (435)-654-3223 ext. 104.
