The City of Midway is supporting the Governor's request to limit all non-critical gatherings, especially if they involve citizens over the age of 60.

To that end, we will be closing our public buildings Monday March 16th – Monday March 30th. As the Governor indicated, after this two-week period, analysis will be done to determine if these restrictions should be extended.

Sincerely,

Mayor Celeste Johnson

Our vision for the City of Midway is to be a place where citizens, businesses and civic leaders are partners in building a city that is family-oriented, aesthetically pleasing, safe, walkable and visitor friendly. A community that proudly enhances its small town Swiss character and natural environment, as well as remaining fiscally responsible.
