Midway City adopted Ordinance 2017-09 on 14 June 2017. From the date of the adoption of this ordinance until the City Council has adopted an ordinance repealing it or in six months from the date of adoption, whichever comes first, no new applications for residential subdivisions, residential planned unit developments, mixed use projects over one acre in size, or other large- scale residential developments (as defined in the current zoning ordinance) will be accepted or processed by Midway City in the following zones: C-2, C-3, R-1-7, R-1-9, R-1-11, R-1-15, R-1-22, RA-1-43. Midway City will also not accept for further consideration any petition for annexation filed during the period this temporary zoning ordinance is in effect.

This ordinance does not affect any development application currently filed or pending with the City on or before the date of this ordinance. Further, this ordinance does not affect applications for building permits within developments approved by the City prior to the date of this ordinance or within developments covered by applications described in the previous sentence.

Our vision for the City of Midway is to be a place where citizens, businesses and civic leaders are partners in building a city that is family-oriented, aesthetically pleasing, safe, walkable and visitor friendly. A community that proudly enhances its small town Swiss character and natural environment, as well as remaining fiscally responsible.
