

Here's a recap of what's been happening in Midway.

OPEN SPACE BOND

The Open Space Committee has been holding meetings, there's one more this Sat. at Town Hall at 5:00, to answer questions about the bonding process and how to get a bond on the ballot this Nov. If you haven't had a chance to attend one of the meetings and are interested in this very important issue, come on Sat. These meetings are to explore putting the bond on the ballot so that you, the Midway Citizens, can vote FOR or AGAINST a bond. The choice belongs to you.

MIDWAY SPRING CLEAN UP

There were some terrific folks who came out to help with our spring clean-up. Your volunteer efforts represent over 100 hours! Once again, the spirit of volunteerism is alive and well in Midway! We even had a group that came up from Utah Boy's Ranch in West Valley. They found the project on JustServe.org and were a tremendous help! (PHOTO)

MIDWAY COMMUNITY GARDEN

Jerry Owens, a long time Midway resident has very graciously offered his beautiful acreage for a community garden. If anyone would like to have their own little garden plot, please send me an email. I'll be forwarding your information on to Jerry. I for one, can't wait to have my own little garden, and Jerry is doing this at no charge as his gift to our community! While this opportunity is open to all residents of Midway, it's terrific chance for those students from Midway Elementary and their families who would like to take what they learn at the school garden and really hone their gardening skills.

MAYOR DELIVERS MEALS ON WHEELS

It was my opportunity deliver Meals on Wheels to senior citizens in Midway last Friday. This program provides nutritious, delicious lunches, 5 days a week, to those who have a difficult time getting out of their homes, or who just need help getting a healthy lunch. This program is free of charge! If you or someone you know would like to receive meals, please contact Jimmy who organizes this great effort in our county. jgolding@mountainland.org. To be honest, I was surprised by how few families have taken advantage of this program. Jimmy will be happy to answer any questions you may have!

As always, I'd love to hear from you 435-654-3223, cjohnson@midwaycityut.org
