Dear Mr. Smith:

This is in response to your request for a jurisdictional determination on a 2.24-acre parcel west of Memorial Hill in Midway. The property is located in Section 35, Township 3 South, Range 4 East, Summit County, Utah.

The property has been surveyed in light of Section 404 of the Clean Water Act, under which the Corps of Engineers regulates the discharge of dredged and fill material in waters of the United States, including wetlands. Based on the information provided and the results of an on-site inspection by my staff, I have determined that the property does contain wetlands subject to Section 404. I have enclosed a map showing the locations of the wetland areas. A Department of the Army permit will be required to place fill material in these wetlands.

If you have any questions, please contact (b) (6) at the Utah Regulatory Office, 1403 South 600 West, Suite A, Bountiful, Utah 84010, telephone (801) 295-8380, extension 16.

Sincerely,

CC: REG BRANCH
