Celebrating Thanksgiving - Centers for Disease Control and Prevention Recommendations:

Traditional Thanksgiving gatherings with family and friends are fun but can increase the chances of getting or spreading [COVID-19](#) or the [flu](#). CDC offers several tips for holiday planning here: <https://bit.ly/35hIcti>

The safest way to celebrate Thanksgiving this year is to celebrate with people in your household. If you do plan to spend Thanksgiving with people outside your household, take steps to make your celebration safer.
