AN ORDINANCE AMENDING TITLE 12 OF THE MIDWAY CITY CODE REGARDING STREET AND HOUSE NUMBERING IN MIDWAY CITY, AND RELATED MATTERS

WHEREAS, the City Council of Midway City desires to amend Title 12 of the Midway City Code by adding a new section that requires the numbering of streets and houses as set forth hereinbelow; and

WHEREAS, the City has examined the issue and has determined that the amendments contained herein are in the best interest of the City and the health and safety of its citizens and visitors; and

WHEREAS, the City Council has determined that it is necessary for the immediate preservation of peace, health, and safety of the inhabitants of Midway City that this Ordinance be approved and become effective and be in force upon passage and posting; and

WHEREAS, the City Council now desires to amend Title 12 of the Midway City Municipal Code to accomplish these purposes.

NOW THEREFORE, be it ordained by the City Council of Midway City, Utah, as follows:

Section 12 of the Midway City Code is hereby amended to add subsection 14, which shall read as follows:

CHAPTER 12.14 STREET AND HOUSE NUMBERING

A. It is hereby required that all dwellings and buildings in the City of Midway be clearly identified by an identification number at least three inches (3") in height on the exterior of the structure which number shall be approved by the City. At the discretion of the Building Inspector, if there is a situation where the identification number on the exterior of the structure is not visible from the road (i.e. flag lots, rural preservation lots, lots of record, etc.), the Building Inspector may require the lot to have an identification number posted on the street in front of the lot, as well as on the structure itself before issuing a certificate of occupancy.

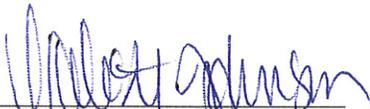

B. It is hereby required that all streets in the City of Midway be identified using a City-wide numerical system. Public and private roads may be given a common name but will also have a numerical identifier, at the City's discretion, and signage as approved by the City. In order to avoid confusion, any proposed names for private or public streets shall be approved by the Planning Department to assure no other streets within Wasatch County share the identical or similar name.

This ordinance shall take effect upon publication as required by law.

PASSED AND ADOPTED by the City Council of Midway City, Wasatch County, Utah this 19th day of May 2020.
