Section 16.7.1 Objectives and Characteristics

The objective in establishing the R-1-7 Residential Zone is to provide appropriate locations within the City for development with a higher amount of residential density. In general, this zone is located in the central part of the City, adjacent to commercial areas where the impact of vehicular travel and parking is consonant with adjacent use of land, and where multiple dwellings can best be supplied with necessary public facilities. This zone is characterized by more compact development and somewhat higher volumes of traffic than is characteristic of the R-1-11 and R-1-9 Zones. Representative of the uses within the R-1-7 Zone are one and two-family dwellings and related community facilities. However, commercial uses are prohibited in this zone. In order to accomplish the objectives and purposes of this Title, and to promote the characteristics of this Zone the following regulations shall apply in the R-1-7 Zone:

Section 16.7.2 Permitted Uses

The following uses shall be permitted in the R-1-7 Residential Zone:

A. One-family dwellings and related accessory buildings and uses. Accessory uses and buildings include garages, personal greenhouses less than one thousand (1,000) square feet and carports.

(2013-03, Sub-section Replaced, eff. 5/8/13)

B. Customary household pets, including but not limited to cats, dogs and canaries. This does not include the breeding of dogs and cats or other pets for sale or other use. Notwithstanding the foregoing, no more than three cats or three dogs are permitted at one time at any single-family residence.

C. Temporary buildings and yards for the storage of materials and equipment incidental to the construction of dwellings and other permitted uses provided that a permit for such temporary buildings shall not be effective for more than one year.

D. Attached two-family dwellings. Attached two-family dwellings must meet the following:
1. Have a separate kitchen and bathroom facilities for each dwelling unit.

2. Have adequate off-street parking for each dwelling unit.
3. Have separate utilities to each dwelling unit.
4. Each dwelling unit is built to residential building codes.
5. No temporary structures are allowed as a dwelling unit.
6. Both dwelling units are under one ownership.
7. Each dwelling unit will have its own address.
8. Each dwelling unit will meet emergency and fire code access standards.
9. A hard surface driveway (concrete, asphalt, or brick) must be installed for both dwellings before the Certificate of Occupancy is approved.

E. Detached two-family dwellings. Detached two-family dwellings must meet the following:

1. Have a separate kitchen and bathroom facilities for each dwelling unit.
2. Have adequate off-street parking for each dwelling unit.
3. Have separate utilities to each dwelling unit.
4. Each dwelling unit is built to residential building codes.
5. No temporary structures are allowed as a dwelling unit.
6. Both dwelling units are under one ownership.
7. Each dwelling unit will have its own address.
8. Each dwelling unit will meet emergency and fire code access standards.
9. A hard surface driveway (concrete, asphalt, or brick) must be installed for both dwellings before the Certificate of Occupancy is approved.
10. One of the two units must be occupied by the owner or a person related to the owner by blood, marriage or adoption.
11. The living area square footage of one of the dwellings cannot be more than 70% of the living area square footage of the second dwelling.
12. Detached garages may contain a dwelling unit above or below the garage if the dwelling unit meets requirements 1-11 of this section.
