

Construction Notice

FOR TRAFFIC CONTROL QUESTIONS OR CONCERNS

PLEASE CALL

DANNY BEDELL @ 435-790-9103

OR

GLEN LENT @ 801-403-9660

A sewer line will be installed on Stringtown Road from Wards Lane (865 S.) to approximately 600 South. To protect the safety of the traveling public and construction workers, the road will be closed during construction. On the back is a traffic control and detour plan for this project and the work zone.
