Section 7.06.010 Purpose

The City Council of Midway City hereby makes the following findings:

A. Midway City is a small rural community that attracts many visitors. Our vision is that Midway City "be a place where citizens, businesses and civic leaders are partners in building a city that is family-oriented, aesthetically pleasing, safe, walk able and visitor friendly." We welcome visitors; we are pleased to have them come. Our resort and lodging establishments are valued and we appreciate all they contribute to our community.

B. There are many single and multi-family vacation homes and condominiums in Midway. Transient rental of some of these units provide a community benefit by expanding the number and type of lodging facilities available and assists owners of vacation homes by providing revenue which may be used for maintenance, upgrades and deferred costs.

C. Transient rental of homes and condominiums and individually owned units associated with commercial lodging establishments has, on occasion, created problems for City staff and the City's permanent residents. The City has been called upon to respond to complaints involving excessive noise, disorderly conduct, vandalism, overcrowding, traffic congestion, illegal vehicle parking and accumulations of refuse at transient rental units.

D. It has become necessary for Midway City to address transient rental of single family and multifamily homes, and individually owned units within, or associated with, commercial lodging establishments, to forestall future problems and provide an equitable balance of private and public interests.

E. Due to its limited resources and staff, the City must often rely on third parties (resorts, inns and property management firms) for assistance in the enforcement of this Chapter to maintain civic peace and tranquility for the benefit of both citizens and visitors.

Section 7.06.020 Definitions:

A. Commercial lodging facility. A motel, hotel, resort, bed and breakfast inn, or other facility, the operation of which is governed by the resort provisions of this code and/or a conditional use permit or development agreement issued by the City which allows, among other things, the rental of a lodging unit or units for periods of more or less than 48 hours.

B. Commercial lodging unit. A lodging unit located in a commercial lodging facility and which is wholly owned by said commercial lodging facility, the rental of which lodging unit is subject to the terms of a conditional use permit or a development agreement issued by the City for the commercial lodging facility.

C. Commercial lodging unit rental. The rental of a commercial lodging unit located in a commercial lodging facility for periods of more than or less than 48 hours. Commercial lodging unit rental is governed primarily by the conditional use permit or a development agreement issued for the commercial lodging facility (and other City ordinances as applicable), and not primarily by this Title.

D. Individually owned lodging unit. An apartment, condominium, house or other building or structure, or a room designed for human habitation not wholly owned by a commercial lodging facility.

E. Lodging unit. A house, apartment, condominium, or other building or structure or portion thereof, or a room designed for human habitation.

F. Owner. The person(s) or entity who possesses legal title to a lodging unit and/or possesses the legal right to allow entrance into the unit or to compel departure from the unit.

G. Transient lodging unit. A lodging unit which is rented for less than 30 days and which is not a commercial lodging unit.

H. Transient lodging unit manager. A person or entity designated by the owner of a transient lodging unit pursuant to this Title to manage the transient lodging unit in accordance with the terms of this and other applicable City ordinances.

I. Transient lodging unit owner. A person or entity who owns a transient lodging unit.

J. Transient lodging unit rental. The rental of a transient lodging unit located in the transient rental overlay district within the City. Transient lodging unit rental does not mean the rental of a commercial lodging unit located in a commercial lodging facility.

K. Transient rental overlay district. An additional district established by Midway City that may be more or less restrictive than one or more underlying primary zoning district(s). When a property is

located within an overlay district, it is subject to the provisions of both the primary zoning district and the overlay district. Where the provisions are in conflict, the overlay district governs.

Section 7.06.030 Rental Period of Lodging Unit

The rental of any lodging unit for a period less than twelve hours is prohibited in Midway City. A transient lodging unit may not be rented for a period less than 48 hours.

Section 7.06.040 Commercial Lodging Facility

A commercial lodging facility may not exist or operate unless pursuant to a conditional use permit or a development agreement issued by the City.

Section 7.06.050 Transient Lodging Unit Rental

A. Transient lodging unit rental may be conducted only in the transient rental overlay district within the City, and only pursuant to the terms of this Chapter. Transient lodging unit rental in the C-2, C-3 and Resort Zone (RZ) within the transient rental overlay district is a permitted use. Transient lodging unit rental in any other zone within the transient rental overlay district is a conditional use.

(2011-09, Sub-section Amended, eff. 12/15/2011; 2019-03, Sub-Section Amended, eff. 1/15/2019)
