**State Public Health Order effective Apr 10 – Jun 15, 2021** no longer requires masks statewide, however the mask requirement stays in place for:

- Group gatherings of 50 or more people where physical distancing is not possible—until certain metrics outlined in the bill are met.
- K-12 schools through the end of the 2020-2021 school year (June 15).
- Private businesses may keep mask requirements in place to protect employees and customers.

According to the CDC- **once fully vaccinated**, individuals can safely visit with other fully vaccinated people without a mask in private settings, and in most cases, travel without testing or quarantine.

### Vaccine update:

Total doses administered to Wasatch County residents: **19,980**
