3 May 2022
Regular Meeting

Tentative FY 2023 Budget /
Set Public Hearing

Memo

Date: 27 April 2022

From: Brad Wilson, City Recorder
RE: Tentative FY 2023 Budget and Public Hearing

The Midway City Council is required to adopt a tentative budget on or before its first regular meeting in May. It is then required to set a hearing to receive public comment on the adopted tentative budget. I recommend that the hearing be set for the regular meeting on 17 May 2022. This will give the City Council the month of June to consider those comments and adopt a final budget.
