

# CODE TEXT AMENDMENTS

- Midway, and many cities, amend and add codes quite often
- Since 2018
  - 23 code text amendments
  - 5 others have been proposed and discussed
  - There are usually 3-5 being worked on at all times
- Each proposal requires time and effort, so the process is sometimes slow
- Minimal amount of time is 2 months
- Average is 3-5 months
- Longest is 10 months

# POTENTIAL AMENDMENTS

- Visual and Architectural Committee
- Water rights required for wetlands
- Rural Preservation Subdivision Code for smaller parcels
- Setbacks for structures in the commercial zones
- Landscaping Code
  - Tree City USA
  - Tree list along trails
- Double fronted lots
