Re: Discussion about safe school routes and snow removal around  
Midway Elementary

---

The City has received comments and concerns about some issues regarding pedestrian safety for students that walk to Midway Elementary. The issues that have been voiced are regarding the lack of a crosswalk at 300 South (Michie Lane) and Center Street and snow removal along the trail and sidewalk along Michie Lane. Therefore, a discussion item was placed on your agenda so the public could share their comments and concerns and the City Council can consider options regarding these issues.
