

Midway City Council
7 September 2021
Regular Meeting

Resolution 2021-19 / Rising
Ranch Development Agreement
Revision

RESOLUTION 2021-19

A RESOLUTION OF THE MIDWAY CITY COUNCIL APPROVING A DEVELOPMENT AGREEMENT FOR THE RISING RANCH SUBDIVISION

WHEREAS, the Midway City Council is granted authority under Utah law to make agreements in the public interest and to further the business of Midway City; and

WHEREAS, the City Council deems it appropriate to adopt a development agreement for the Rising Ranch Subdivision.

NOW THEREFORE, be it hereby **RESOLVED** by the City Council of Midway City, Utah, as follows:

Section 1: The attached Rising Ranch Subdivision Development Agreement is hereby approved and adopted.

Section 2: The Mayor is authorized to sign the document on behalf of Midway City.

PASSED AND ADOPTED by the Midway City Council on the 20th day of July 2021.

MIDWAY CITY

Celeste Johnson, Mayor

ATTEST:

Brad Wilson, Recorder

(SEAL)

Exhibit A

RISING RANCH SUBDIVISION DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (the “Agreement”) is entered into as of this ____ day of _____, 2021, by and between SAMUEL CASTOR, agent for BOW HUNTING SKILLS LLC (hereinafter called the “Developer”) and the CITY OF MIDWAY, UTAH, a political subdivision of the State of Utah (hereinafter called the “City”). Developer and the City are, from time to time, hereinafter referred to individually as a “Party” and collectively as the “Parties.” Unless otherwise noted herein, this Agreement supersedes and replaces any previous development agreements entered into by and between the Developer and the City involving the same Property and is the entire, complete Agreement between the Parties.

RECITALS

- A. The City, acting pursuant to its authority under Utah Code Ann. §10-9a-101, *et. seq.*, in compliance with the Midway City Land Use Ordinance, and in furtherance of its land use policies, goals, objectives, ordinances and regulations, has made certain determinations with respect to the proposed Rising Ranch Subdivision, located at 425 Homestead Drive, in Midway, Utah (hereinafter referred to as the “Project”), and therefore has elected to approve and enter into this Agreement in order to advance the policies, goals and objectives of the City, and to promote the health, safety and general welfare of the public.
- B. The Developer has a legal interest in certain real property located in the City, as described in Exhibit “A”, (hereinafter referred to as the “Property”) attached hereto and incorporated herein by this reference. Developer warrants and represents that it has the legal authority to sign this Agreement and bind the Property as set forth herein.
- C. The Developer intends to develop the Property as a large-scale subdivision containing seven (7) platted building lots, one (1) 0.956 acre open-space parcel, and one (1) lot currently identified as a non-buildable parcel. This Project is commonly known as the Rising Ranch Subdivision. The original parcel is 6.35 acres in size. The subdivision is located at approximately 425 Homestead Drive, in the R-1-22 zone and the Transient Rental Overlay District, which allows for single family dwellings.
- D. Each Party acknowledges that it is entering into this Agreement voluntarily. The Developer consents to all the terms and conditions of this Agreement and acknowledges that they are valid for development of the Project. Unless otherwise specifically agreed to herein, the terms and conditions contained herein are in addition to any conditions or requirements of any other legally adopted ordinances, rules, or regulations governing the development of real property in the City of Midway.

NOW, THEREFORE, in consideration of the promises, covenants and provisions set forth herein, the receipt and sufficiency of which consideration is hereby acknowledged, the Parties agree as follows:

AGREEMENT

Section 1. Effective Date and Term. The term of this Agreement shall commence upon the signing of this Agreement (the “Effective Date”) by both Parties and shall continue for a period of ten years (10) years. Unless otherwise agreed between the City and the Developer, the Developer’s vested interests and rights contained in this Agreement expire at the end of the Term, or upon termination of this Agreement. Upon termination of this Agreement, the obligations of the Parties to each other hereunder shall terminate, but none of the dedications, easements, deed restrictions, licenses, building permits, or certificates of occupancy granted prior to the expiration of the term or termination of this Agreement shall be rescinded or limited in any manner.

Section 2. Definitions. Unless the context requires a different meaning, any term or phrase used in this Agreement that has its first letter capitalized shall have that meaning given to it by this Agreement. Certain terms and phrases are referenced below; others are defined where they appear in the text of this Agreement, including the Exhibits.

“Applicable Law” shall have the definition set forth in Section 4A of this Agreement.

“Governing Body” shall mean the Midway City Council.

“City” shall mean the City of Midway, and shall include, unless otherwise provide, any and all of the City’s agencies, departments, officials, employees or agents.

Section 3. Obligations of the Developer and the City.

A. Obligations of the Developer:

- i. **General Obligations:** The Parties acknowledge and agree that the City’s agreement to perform and abide by the covenants and obligations of the City set forth herein is conditioned upon and in material consideration of the Developer’s agreement to perform and abide by the covenants and obligations of the Developer set forth herein.
- ii. **Construction and/or Dedication of Project Improvements:** The Developer agrees to construct and/or dedicate Project improvements as set forth below as directed by the City, including but not limited to, driveways, landscaping, water, sewer, and other utilities as shown on the approved final plans and in accordance with current City standards. The Developer shall satisfactorily complete construction of all Project improvements no later than two (2) years after the recording of the plat for the Project. All costs associated with the Project improvements shall be

borne by the Developer. The Developer and the City also agree to comply with the terms of the Midway City Staff Report, as approved and adopted by the Midway City Planning Commission and as accepted by the Midway City Council, attached hereto and incorporated herein by this reference.

- iii. Conditions for Current Approvals: The Developer shall comply with all of the following Conditions:
- a) Payment of Fees: Developer agrees to pay all applicable Midway City fees as a condition of developing the Project on the Property, including all engineering and attorney fees and other outside consultant fees incurred by the City in relation to the Project. All fees shall be paid current prior to the recording of any plat or the issuance of any building permit for the Project or any portion thereof.
 - b) Water Rights and Water Service: The required water rights for the culinary and secondary water for the Project shall be officially transferred to the City in writing before the recording of the plat for the Project. The water rights provided by the Developer shall meet all City policies and ordinances for culinary and secondary use. Culinary water service shall be provided by the City according to the rules, regulations and requirements of the City. The total quantity of water rights to be dedicated to the City for the entire Project, for both culinary and secondary use, is 19.47 acre feet. This amount includes the culinary and irrigation water needed for the non-buildable parcel 8. The lots will connect to existing City culinary water lines located in the area. The lots will connect to Midway Irrigation Company's secondary water system, which is already servicing the property. Laterals will be created for all seven (7) lots. A lateral can be created for Lot 8, but it must come off of Kohler Lane. Each lot that is developed will be required to install a secondary water meter. Developer has obtained a Will Serve letter from Midway Irrigation Company and provided it to the City.
 - c) Access: Access for the seven (7) buildable lots will be from Homestead Drive or Swiss Alpine Road. If the non-buildable lot were to ever become buildable, additional access will be required. Developer has included a fifteen foot (15') agricultural access easement on the future buildable parcel 8 to ensure agricultural equipment access to the open space parcel. Developer has also created a five foot (5') access strip between lots 2 and 3-5 to ensure that all property owners will have legal access to the open space parcel in the future. The plat will include a note limiting access to lot 3 from Swiss Alpine Road. UDOT has approved of Developer's proposal to use two existing driveway entrances to access lots 4-7 (two lots per access). UDOT will require the accesses to be upgraded to its current standard and the half-width of asphalt on Homestead Drive in front of the development to be widened to

twenty-six feet (26'). There will be no requirement for curb or gutter. Developer will work with UDOT to determine whether any additional right-of-way will need to be dedicated for Homestead Drive.

- d) Geotechnical Study: A Geotechnical Study has been submitted to the City and approved by planning and engineering staff.
- e) Sensitive Lands: No sensitive lands have been identified in the proposed development.
- f) Sewer Connection: The lots will connect to existing Midway Sanitation District sewer lines located in the area.
- g) Fire Flow: A fire hydrant will be located within five hundred feet (500') of any future dwellings, measured by the route of a fire hose from the fire hydrant to the future home site.
- h) Trails: Developer will dedicate a fifteen-foot (15') public trail easement with an eight-foot (8') asphalt trail along the north property line of the development. This trail will be an extension of the existing eight-foot (8') asphalt trail in the Maisons de Saint-Prex subdivision to the west and will connect to Homestead Drive. The trail easement will be shown on the plat with language stating that it is a public trail. Additionally, with the installation of a new detached trail along Swiss Alpine Road, Developer will remove the pavement where the bike lane currently sits on Swiss Alpine Road, install a swale in the newly created shoulder, and revegetate the disturbed area. After the trail improvements are accepted by the City, the City will take on maintenance responsibilities. The City Master Trail Plan contains a five-foot (5') wide attached asphalt bike trail along Homestead Drive. Funds to help build the bike lane will be added to the general trails fund and the bike lane will be completed in the future as part of a larger improvement project that will construct bike lanes along the entirety of Homestead Drive.
- i) Open Space: Because the property is greater than six (6) acres, fifteen percent (15%) open space is required in the development. Developer is required to provide 0.954 acres of open space, and has proposed 0.956 acres. This area will be dedicated on the plat as open space and no further development will be allowed in the area. The open space will be governed by the Home Owner's Association and owned by Developer or Developer's designee, who will grant an access and use license to the owners of the subdivision lots. The land use code requires that open space be "attractively landscaped or actively used for agricultural purposes." For the time being, the open space will continue to be used for agricultural purposes. The plat will include an access easement across parcel 8 for those responsible for maintaining the open space to access the area.

- j) Setback Requirements: The land use code requires a one hundred-foot (100') setback from the edge of the right-of-way of Homestead Drive for all residential and accessory structures. The setback line will be shown on the plat with language notifying property owners of the restriction.
- k) Non-Buildable Parcel: The development contains a 0.72 acre parcel (parcel 8) that is non-buildable due to lack of frontage along a city standard road. If, in the future, the parcel can meet the minimum requirements for a buildable lot and install the necessary infrastructure, the parcel may be recognized as a buildable lot by City Staff, without further application to or approval from the City Council. Parcel 8 will become a buildable lot if the following requirements are satisfied:
 - 1. Obtaining a minimum of one hundred fifteen feet (115') of frontage along a road built to City standards;
 - 2. Obtaining additional planning approval from City Staff;
 - 3. Installing or accessing to build necessary improvements to the parcel (sewer, culinary water, irrigation, fire hydrant, streetlights, etc.).
- l) Transient Rental Overlay District: The development is located in the Transient Rental Overlay District (TROD), which allows property owners to rent their property on a nightly basis if they obtain the necessary conditional use permit. Developer has obtained a blanket conditional use permit for each future home in the development to be permitted for nightly rentals. A document will be recorded against each property stating that the property may be rented on a nightly basis and the requirements that must be met to do so.
- m) Weed Control: The Developer and its successors and assigns shall eradicate, mow or trim weeds and vegetation at all times in all areas of the Project. Developer shall be responsible for weed control on the remainder parcel described herein.
- n) Construction Traffic: All construction traffic for all Project improvements will meet the requirements imposed by the Midway City Planning and Engineering Departments.
- o) Warranty: Consistent with City standards, the Developer will provide a one-year warranty for the operation of all improvements.
- p) Bonding: Developer agrees to post a letter of credit, or performance or other bonds in amounts and types established by the City related to the performance of the Developer's construction obligations for the Project, pursuant to current City Ordinances and Regulations.
- q) City's Right to Draw From Construction Bond: If Developer is required to perform any work within the public right-of-way, and the work is not completed by the City's established deadlines, the City shall have the right to draw funds from the Developer's performance and other bonds.

B. Obligations of the City:

- i. General Obligations: The Parties acknowledge and agree that the Developer's agreement to perform and abide by the covenants and obligations of Developer set forth herein is conditioned upon and in material consideration of the City's agreement to perform and abide by the covenants and obligations of the City set forth herein.
- ii. Conditions of Approval: The City shall not impose any further Conditions on Current Approvals other than those detailed in this Agreement, and on the Project Plats, unless agreed to in writing by the Parties. The Developer shall remain bound by all legally adopted Ordinances, Resolutions and policies of the City unless specifically agreed to otherwise herein.
- iii. Acceptance of Improvements: The City agrees to accept all Project improvements constructed by Developer, or Developer's contractors, subcontractors, agents or employees, provided that 1) the Midway City Planning and Engineering Departments review and approve the plans for any Project improvements prior to construction; 2) Developer permits Midway City Planning and Engineering representatives to inspect upon request any and all of said Project improvements during the course of construction; 3) the Project improvements are inspected by a licensed engineer who certifies that the Project improvements have been constructed in accordance with the approved plans and specifications; 4) Developer has warranted the Project improvements as required by the Midway City Planning and Engineering Departments; and 5) the Project improvements pass a final inspection by the Midway City Planning and Engineering Departments.

Section 4. Vested Rights and Applicable Law.

- A. Applicable Law. The rules, regulations, official policies, standards and specifications applicable to the development of the Property (the "Applicable Law") shall be in accordance with those set forth in this Agreement, and those rules, regulations, official policies, standards and specifications, including City Ordinances and Resolutions, in force and effect on the date the City Council granted preliminary approval to Developer for the Project. Developer expressly acknowledges and agrees that nothing in this Agreement shall be deemed to relieve Developer from the obligation to comply with all applicable requirements of the City necessary for approval and recordation of the subdivision plat, including the payment of fees and compliance with all other applicable ordinances, resolutions, regulations, policies and procedures of the City.

- B. State and Federal Law. Notwithstanding any other provision of this Agreement, this Agreement shall not preclude the application of changes in laws, regulations, plans or policies, to the extent that such changes are specifically mandated and required by changes in State or Federal laws or regulations (“Changes in the Law”) applicable to the Property. In the event the Changes in the Law prevent or preclude compliance with one or more of the provisions of this Agreement, such provisions of the Agreement shall be modified or suspended, or performance thereof delayed, as may be necessary, to comply with the Changes in the Law.

Section 5. Amendment. Unless otherwise stated in this Agreement, the Parties may amend this Agreement from time to time, in whole or in part, by mutual written consent. No amendment or modification to this Agreement shall require the consent or approval of any person or entity having any interest in the specific lot, or other portion of the Project. Each person or entity (other than the City and the Developer) that holds any beneficial, equitable, or other interests or encumbrances in all or any portion of the Project at any time hereby automatically, and without the need for any further documentation or consent, subjects and subordinates such interests and encumbrances to this Agreement and all amendments thereof that otherwise comply with this Section 5. Each such person or entity agrees to provide written evidence of that subjection and subordination within fifteen (15) days following a written request for the same from, and in a form reasonably satisfactory to, the City and/or the Developer.

Section 6. Cooperation and Implementation.

- A. Processing of Subsequent Approvals. Upon submission by Developer of all appropriate applications and processing fees for any Subsequent Approval to be granted by the City, the City shall promptly and diligently commence and complete all steps necessary to act on the Subsequent Approval application including, without limitation, 1) the notice and holding of all required public hearings, and 2) the granting of the Subsequent Approval as set forth herein. The City’s obligations under this Section 6 are conditioned on Developer’s provision to the City, in a timely manner, of all documents, applications, plans and other information necessary for the City to meet such obligations. It is the express intent of the Developer and the City to cooperate and work diligently and in good faith to obtain any and all Subsequent Approvals. The City may deny the application for a Subsequent Approval by the Developer only if the application is incomplete, does not comply with existing law, or violates a City Ordinance or Resolution. If the City denies an application for a Subsequent Approval by the Developer, the City must specify the modifications required to obtain such approval.
- B. Other Governmental Permits.

1. The Developer shall apply for such other permits and approvals as may be required by other governmental or quasi-governmental agencies in connection with the development of, or the provision of services to the Project.
2. The City shall cooperate with the Developer in its efforts to obtain such permits and approvals, provided that such cooperation complies with Section 4.B of this Agreement. However, the City shall not be required by this Agreement to join or become a party to any manner of litigation or administrative proceeding instituted to obtain a permit or approval from, or otherwise involving any other governmental or quasi-governmental agency.

Section 7. Default and Termination.

A. General Provisions.

1. Defaults by Developer. Any failure by either Party to perform any term or provision of this Agreement, which failure continues uncured for a period of thirty (30) days following written notice of such failure from the other Party, unless such period is extended by written mutual agreement, shall constitute a default under this Agreement. Any notice given pursuant to the preceding sentence shall specify the nature of the alleged failure and, where appropriate, the manner in which said failure may be satisfactorily cured. If the nature of the alleged failure is such that it cannot reasonably be cured within such thirty (30) day time period, then the commencement of the cure within such time period, and the diligent prosecution to completion of the cure thereafter, shall be deemed to be a cure within such thirty (30) day period. Upon the occurrence of an uncured default under this Agreement, the non-defaulting Party may institute legal proceedings to enforce the terms of this Agreement or, in the event of a material default, terminate this Agreement. If the default is cured, then no default shall exist and the noticing Party shall take no further action.
2. Termination. If the City elects to consider terminating this Agreement due to a material default of the Developer, then the City shall give to the Developer a written notice of intent to terminate this Agreement and the matter shall be scheduled for consideration and review by the City Council at a duly noticed public meeting. The Developer shall have the right to offer written and oral evidence prior to or at the time of said public meeting. If the City Council determines that a material default has occurred and is continuing and elects to terminate this Agreement, the City Council shall send written notice of termination of this Agreement to the Developer by certified mail and this Agreement shall thereby be terminated thirty (30) days thereafter. In addition, the City may thereafter pursue any and all remedies at law or equity. By presenting

evidence at such public meeting, the Developer does not waive any and all remedies available to the Developer at law or in equity.

3. Review by the City. The City may, at any time and in its sole discretion, request that the Developer demonstrate that the Developer is in full compliance with the terms and conditions of this Agreement. The Developer shall provide any and all information reasonably requested by the City within thirty (30) days of the request, or at a later date as agreed between the Parties.
 4. Determination of Non-Compliance. If the City Council finds and determines that the Developer has not complied with the terms of this Agreement, and non-compliance may amount to a default if not cured, then the City may deliver a Default Notice pursuant to section 7.A of this Agreement. If the default is not cured in a timely manner by the Developer, the City may terminate this agreement as provided in Section 7 of this Agreement and as provided under Applicable Law.
- B. Default by the City. In the event the City defaults under the terms of this Agreement, Developer shall have all rights and remedies provided in Section 7 of this Agreement as if it were the City and the City were Developer, and as provided under Applicable Law.
- C. Enforced Delay; Extension of Time of Performance. Notwithstanding anything to the contrary contained herein, neither Party shall be deemed to be in default where delays in performance or failures to perform are due to, and a necessary outcome of, war, insurrection, strikes or other labor disturbances, walk-outs, riots, floods, earthquakes, fires, casualties, acts of God, restrictions imposed or mandated by other governmental entities, enactment of conflicting state or federal laws or regulations, new or supplemental environmental regulations, or similar basis for excused performance which is not within the reasonable control of the Party to be excused. Upon the request of either Party hereto, an extension of time for such cause shall be granted in writing for the period of the enforced delay, or longer as may be mutually agreed upon.

Section 8. Notice of Compliance.

- A. Timing and Content. Within fifteen (15) days following any written request which the Developer may make from time to time, and to the extent that it is true, the City shall execute and deliver to the Developer a written "Notice of Compliance," in recordable form, duly executed and acknowledge by the City, certifying that 1) this Agreement is unmodified and in full force and effect, or if there have been modifications hereto, that this Agreement is in full force and effect as modified and stating the date and nature of such modification; 2) there are no current uncured

defaults under this Agreement or specifying the dates and nature of any such default; and 3) any other reasonable information requested by the Developer. The Developer shall be permitted to record the Notice of Compliance.

- B. Failure to Deliver. Failure to deliver a Notice of Compliance, or a written refusal to deliver a Notice of Compliance if the Developer is not in compliance, within the time set forth in Section 8.A shall constitute a presumption that as of fifteen (15) days from the date of the Developer's written request: 1) this Agreement was in full force and effect without modification except as represented by the Developer; and 2) there were no uncured defaults in the performance of the Developer. Nothing in this Section, however, shall preclude the City from conducting a review under Section 7, or issuing a notice of default, notice of intent to terminate or notice of termination under Section 7 for defaults which commence prior to the presumption created under this Section 8, and which have continued uncured.

Section 9. Change in Developer, Assignment, Transfer and Required Notice. The rights of the Developer under this Agreement may be transferred or assigned, in whole or in part, with the written consent of the City, which shall not be unreasonably withheld. The Developer shall give notice to the City of any proposed transfer or assignment at least thirty (30) days prior to the proposed date of the transfer or assignment.

Section 10. Miscellaneous Terms.

- A. Incorporation of Recitals and Introductory Paragraph. The Recitals contained in this Agreement, and the introductory paragraph preceding the Recitals, are hereby incorporated into this Agreement as if fully set forth herein.
- B. Severability. If any term or provision of this Agreement, or the application of any term or provision of this Agreement to a particular situation, is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining terms and provisions of this Agreement, or the application of this Agreement to other situations, shall continue in full force and effect unless amended or modified by mutual written consent of the Parties. Notwithstanding the foregoing, if any material provision of this Agreement, or the application of such provision to a particular situation, is held to be invalid, void or unenforceable by the final order of a court of competent jurisdiction, either Party to this Agreement may, in its sole and absolute discretion, terminate this Agreement by providing written notice of such termination to the other Party.
- C. Other Necessary Acts. Each Party shall execute and deliver to the other Party any further instruments and documents as may be reasonably necessary to carry out the objectives and intent of this Agreement, the Conditions of Current Approvals, and

Subsequent Approvals and to provide and secure to the other Party the full and complete enjoyment of its rights and privileges hereunder.

- D. Other Miscellaneous Terms. The singular shall be made plural; the masculine gender shall include the feminine; “shall” is mandatory; “may” is permissive.
- E. Covenants Running with the Land and Manner of Enforcement. The provisions of this Agreement shall constitute real covenants, contract and property rights and equitable servitudes, which shall run with all of the land subject to this Agreement. The burdens and benefits of this Agreement shall bind and inure to the benefit of each of the Parties, and to their respective successors, heirs, assigns and transferees. Notwithstanding anything in this Agreement to the contrary, the owners of the individual lot in the Project shall have no right to bring any action under this Agreement as a third-party beneficiary. The City may look to the Developer, its successors and/or assigns, or the lot owners for performance of the provisions of this Agreement relative to the portions of the Projects owned or controlled by such party. The City may, but is not required to, perform any obligation of the Developer that the Developer fails adequately to perform. Any cost incurred by the City to perform or secure performance of the provisions of this Agreement shall constitute a valid lien on the Project, including prorated portions to the individual lots or units in the Project, offset by bonds or the letter of credit provided to the City.
- F. Waiver. No action taken by any Party shall be deemed to constitute a waiver of compliance by such Party with respect to any representation, warranty, or condition contained in this Agreement. Any waiver by any Party of a breach or default of any condition of this Agreement shall not operate or be construed as a waiver by such Party of any subsequent breach or default.
- G. Remedies. Either Party may institute an equitable action to cure, correct or remedy any default, enforce any covenant or agreement herein, enjoin any threatened or attempted violation thereof, enforce by specific performance the obligations and rights of the Parties hereto, or to obtain any remedies consistent with the foregoing and the purpose of this Agreement; provided, however, that no action for monetary damages may be maintained by either Party against the other Party for any act or failure to act relating to any subject covered by this Agreement (with the exception of actions secured by liens against real property), notwithstanding any other language contained elsewhere in this Agreement. In no event shall either Party be entitled to recover from the other Party either directly or indirectly, legal costs or attorney’s fees in any action instituted to enforce the terms of this Agreement (with the exception of actions secured by liens against real property).

- H. Utah Law. This Agreement shall be construed and enforced in accordance with the laws of the State of Utah.
- I. Attorney's Fees. In the event of litigation or arbitration between the Parties regarding an alleged breach of this Agreement, neither Party shall be entitled to any award of attorney's fees.
- J. Covenant of Good Faith and Fair Dealing. Each Party shall use its best efforts and take and employ all necessary actions in good faith consistent with this Agreement and Applicable Law to ensure that the rights secured to the other Party through this Agreement can be enjoyed.
- K. Representations. Each Party hereby represents and warrants to the other Party that the following statements are true, complete and not misleading as regards to the representing and warranting Party:
1. Such Party is duly organized, validly existing and in good standing under the laws of the state of its organization.
 2. Such Party has full authority to enter into this Agreement and to perform all of its obligations hereunder. The individual(s) executing this Agreement on behalf of such Party do so with the full authority of the Party that those individuals represent.
 3. This Agreement constitutes the legal, valid and binding obligation of such Party, enforceable in accordance with its terms, subject to the rules of bankruptcy, moratorium, and equitable principles.
- L. No Third-Party Beneficiaries. This Agreement is between the City and the Developer. No other party shall be deemed a third-party beneficiary or have any rights under this Agreement.

Section 11. Notices.

Any notice or communication required hereunder between the City and the Developer must be in writing and may be given either personally or by registered or certified mail, return receipt requested. If given by registered or certified mail, such notice or communication shall be deemed to have been given and received on the first to occur of (1) actual receipt by any of the addressees designated below as the Party to whom notices are to be sent, or (ii) five (5) days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United State mail. If personally delivered, a notice shall be deemed to have been given when delivered to the Party to whom it is addressed. Any Party may at any time, by giving ten (10) days written notice to the other Party, designate any other address to

which notices or communications shall be given. Such notices or communications shall be given to the Parties at their addresses as set forth below:

If to the City of Midway:

Director
Planning Department
Midway City
P.O. Box 277
Midway, Utah 84049

With Copies to:

Corbin B. Gordon
Midway City Attorney
345 West 600 South
Heber City, Utah 84032

If to Developer:

Samuel Castor
Bow Hunting Skills LLC
11020 Edina Ct.
Las Vegas, NV 89144
With an email copy to: sam@lextechnica.org

Section 12. Entire Agreement, Counterparts and Exhibits. Unless otherwise noted herein, this Agreement, including its Exhibits, along with the Annexation Agreement, as amended, is the final and exclusive understanding and agreement of the Parties and supersedes all negotiations or previous agreements between the Parties with respect to all or any part of the subject matter hereof. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the City and of the Developer.

Section 13. Signing and Recordation of Agreement. Unless the City and the Developer mutually agree otherwise in writing, this Agreement must be signed by both the Developer and the City no later than ninety (90) days after the Agreement is approved by a vote of the Midway City Council, or else the City's approval of the Project will be rescinded. The City Recorder shall cause to be recorded, at the Developer's expense, a fully executed copy of this Agreement in the Official Records of the County of Wasatch no later than the date on which the first plat for the Project is recorded.

[Signatures on Following Page]

IN WITNESS HEREOF, this Agreement has been entered into by and between the Developer and the City as of the date and year first above written.
