Mayor Johnson,

You mentioned that you have set aside some money for good causes. I would like to put Wasatch CAPS Scholarship as a candidate.

The Wasatch Center for Advanced Professional Studies (CAPS) is a partnership between Wasatch High School students, local business, and industry mentors. CAPS students develop critical thinking and problem solving skills by working in collaborative groups to complete real-world projects while being mentored by industry partners.

The Wasatch CAPS Scholarship fund is set up through the Wasatch Education Foundation (501.c.3) and is a way to give our students better opportunities to come out of post high school education with less debt. We try to give each qualified student \$1000-\$2500. This program started 3 years ago. In order to qualify for the scholarship a student needs to:

1. Successfully complete a CAPS Project
2. Finish all professional skills trainings (4 separate modules).

3. Have 4 ambassador hours (promoting CAPS)

We feel like we are a great fit for this for two reason:

1. Wasatch CAPS has had several projects with Midway City over the 7 years it has been in existence.
2. We have several students from Midway who are part of CAPS. We estimate 298 students from Midway over the last 7 years. Of the scholarship winners we have had, 21 of them have been from Midway.

Thank you so much for your consideration!

Sincerely,  
Weston Broadbent  
Wasatch CAPS Director
