- **1 in 3** Utah women and **1 in 4** Utah men will experience domestic violence during their lifetime.
- There is approximately **one** domestic violence-related **homicide each month** in Utah.
- In 2016, 9.7% of Utah adults reported that someone had sex or attempted to have sex with them without their consent.  
UDOH,VIPP

## Mission and Vision

Peace House is dedicated to ending interpersonal violence and abuse and empowering survivors to heal and thrive by providing support services, safe housing, and prevention education.

We envision communities free from interpersonal violence and abuse.

# Who We Serve

- Individuals and families who have or could experience:
  - Family violence
  - Domestic violence or abuse
  - Sexual assault
  - Stalking
  - Teen dating violence.
  
- Anyone affected including women, men, youth/children, and people who identify as non-binary.

# Programs

- Emergency Shelter
- 24/7 HELPLINE
- Clinical Counseling
- Case Management
- Legal Advocacy
- Sexual Assault Victim Services
- Transitional Housing
- Child Care – on the horizon
- Education and Awareness

The image shows a bright, modern interior space, likely a dining or common area in an emergency shelter. The room features light-colored wood plank flooring and a ceiling with exposed wooden beams and large, circular pendant lights. In the center, there are several wooden dining tables with matching chairs. A white service counter is visible in the background. To the right, there are large glass double doors with an 'EXIT' sign above them. The overall atmosphere is clean and functional.
