

RAP TAX

NOTICE TO PLACE ON BALLOT

NOTICE TO COUNTY COUNCIL

This letter is written notice that Midway City intends to submit an opinion question to its residents imposing the city option funding for botanical, cultural, recreational, and zoological organizations and facilities. The City would like the question to appear on the ballot for the 2022 regular general election.

Cultural and recreational organizations and facilities are important to Midway's residents, businesses, and visitors. In 2021 a majority of Midway voters supported imposing the tax throughout Wasatch County.

As an alternative, Midway City would support Wasatch County again trying to impose the tax.

Thank you for all that you and the Council do for Wasatch County and Midway City.
