  - Lighting
  - Setbacks

# LIGHTING

# SETBACKS

# POSSIBLE REGULATIONS

- Staff would like to receive direction from the City Council regarding this issue.
- If the Council feels it is necessary to create an ordinance, then we would like to know what items to include in the ordinance.
- Other cities have included items such as greater setbacks, lighting restrictions or not allowing lighting, noise studies and mitigation, or limited hours of operation.
- Some cities have required courts to receive a conditional use permit as part of the approval process.
